WORKSHOPS*: 1 day \$750
1/2 day \$550

PRESENTATIONS: 1 hour \$650

ADDITIONAL EXPENSES and REQUIREMENTS:

Local Travel by personal automobile: Mileage reimbursement at the federal rate at time of travel.

Long Distance Travel by air: Expenses include, but are not limited to, round-trip airfare, mileage to/from SeaTac airport, parking fees, baggage fees for 2 suitcases, all meals and lodging.

Lodging: I prefer a single, clean, non-smoking hotel/motel room with free internet connection. Accommodations in a private home must be in a private room (same conditions as noted above).

Payment: I prefer to make my own airline reservations (always seeking a reasonable fare), and will bill you for the fare; reimbursement is due immediately. Lecture fees, workshop fees, meals and lodging reimbursements are due upon completion of the Contract. Receipts will be provided.

NOTE: *I must have a signed Contract with your Group before dates can be held on my calendar.*

LOCAL DISCOUNT RATES:

As a courtesy to groups within an easy drive from my home, I offer a very special discounted rate. This discount only applies to single-day events, and Local Travel mileage still applies. See the map provided on my website for the potential discount area (click the *Map* link on the *Rates & Contract* page). If your group meets near the edge of the area outlined on the map, ask if the discount applies. Any events requiring an over-night stay away from my home are charged at the rates quoted above.

WORKSHOPS*: 1 day \$550
1/2 day \$400

PRESENTATIONS: 1 hour \$450

***WORKSHOP FEE** is for a maximum of 20 students. I provide one-on-one instruction so the students have a positive appliqué experience in the optimum learning environment. Additional students make it more difficult to offer individualized attention, therefore, add \$25/day for each additional student over 20, with a maximum of 25 students.

Digital photographs, references, and biography are available on my website, or will be furnished on request.
